

Caltrain Hillsdale Pedestrian Bridge Temporary Closure

Dear Caltrain Neighbor,

As San Mateo's 25th Avenue Grade Separation Project progresses toward its goals to improve safety, and reduce traffic congestion and train horn noise, there will be a temporary impact for pedestrians using the Caltrain Hillsdale pedestrian bridge located to the west of the tracks. Starting as early as Tuesday, September 9, the bridge will be temporarily closed for approximately a week. Crews will conduct bridge testing which requires the removal and replacement of asphalt and concrete. Work will occur during the day and night.

Alternative Route

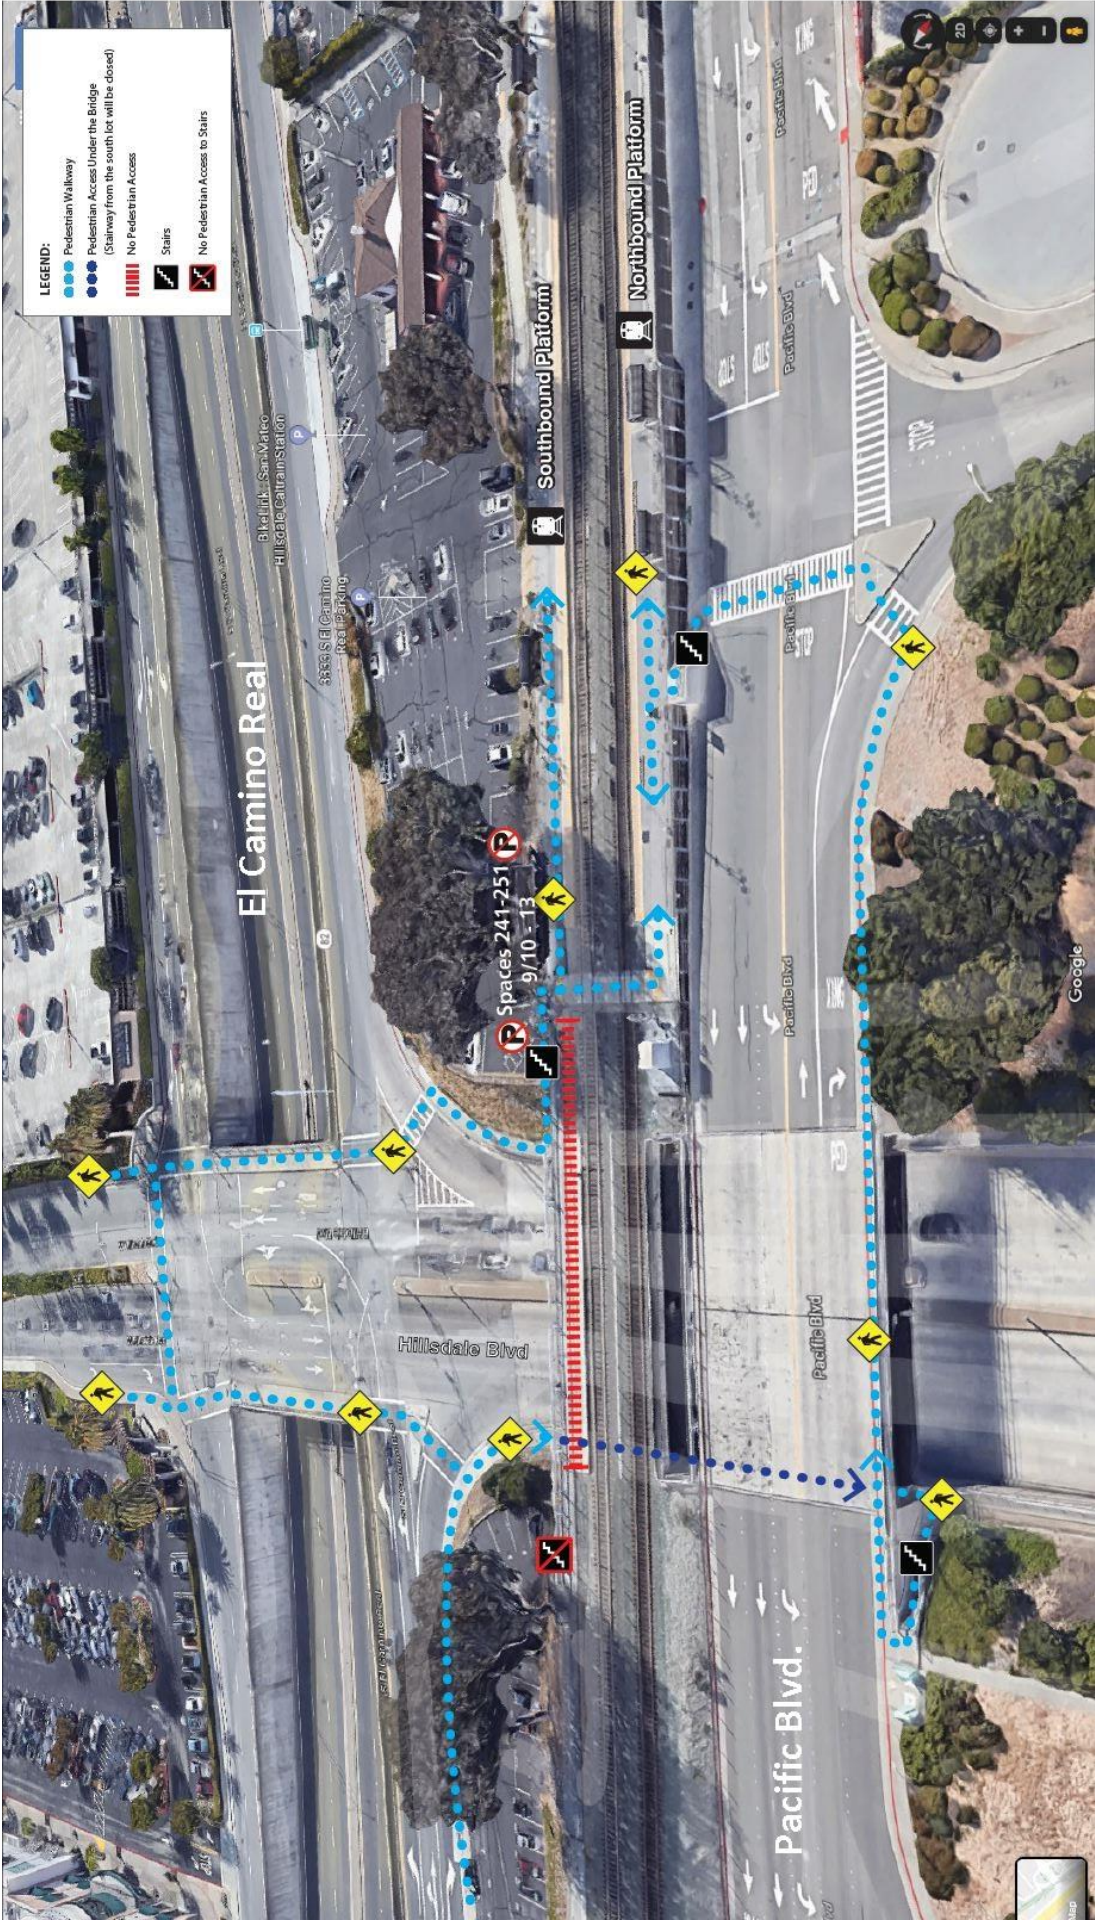

Pedestrians who typically use the Caltrain pedestrian bridge/walkway to cross Hillsdale Boulevard are encouraged to allow extra time for their arrival at Hillsdale Station. Please see map (on back) for an alternative pedestrian route during this temporary closure.

About the 25th Avenue Grade Separation Project

Caltrain, in cooperation with the City of San Mateo, is improving safety, traffic flow, and reducing train horn noise in the City. The project will separate the railroad tracks from the road at E. 25th Avenue, create two new east-west connections at 28th and 31st Avenues, and build a new Hillsdale Station with updated amenities to better serve the community.

How to Stay Informed

Caltrain offers a weekly notice for those interested in the latest construction activities. To sign-up for the weekly construction notice or for more information visit www.caltrain.com/25thgs. For questions about the project, please call the Caltrain Customer Service at 800.660.4287 or email SMGradeSep@caltrain.com.
