

Bicycle Advisory Committee - Follow Up Items

<i>FOLLOW UP REPORT - BAC for May 19, 2016</i>						
#	Requestor	Request for Action	Staff Responsible	Dt. Requested	Dt. Completed	F
64	Edward Saum	Is there a possibility to add seats or bicycles in front of the access panel on the new bike cars, opposite the bathrooms?	Nahom Debesaay	3/17/2016	5/13/2016	Seats or bikes cannot be added in front of the access panel. The panel must be accessible at all times.
65	Garrett Turner	Can you clarify the capacity for the different car configurations	Nahom Debesaay	3/17/2016	5/13/2016	A five car gallery has an average capacity of 650. A 6 car bombardier has capacity of 780 with 2 bike cars; 762 with 3 bike cars. All bombardier sets now have 3 bike cars. Capacity is an average number because of the different configuration for train sets.
66	Dan Provence	Do the new cars have the courtesy stickers on them asking those without bikes to sit on a non-bike car?	Nahom Debesaay	3/17/2016	5/13/2016	Yes, the new cars have the courtesy stickers on them.
