

# E. 25th Avenue to Open Early August 2021

Dear Neighbor,

We're pleased to announce E. 25th Avenue will open the first week of August 2021, and that all major construction on E. 25th Avenue (between S. Delaware Street and Palm Court) will be complete.

Thank you for your patience while this major milestone for the 25th Avenue Grade Separation Project was completed. Separating the tracks from the road at E. 25th Avenue improves safety, reduces traffic bottlenecks, improves traffic flow, and significantly reduces horn noise in the area—creating lasting benefits for generations to come.

## About the 25th Avenue Grade Separation Project

Caltrain, in cooperation with the City of San Mateo, is improving safety, traffic flow, and reducing train horn noise in the City. The project will separate the railroad tracks from the road at E. 25th Avenue, create two new east-west connections at 28th and 31st Avenues, and build a new Hillside Station to better serve the community.
