

## 25th Avenue Grade Separation Project UPCOMING EL CAMINO REAL LANE CLOSURES & STOP SIGN

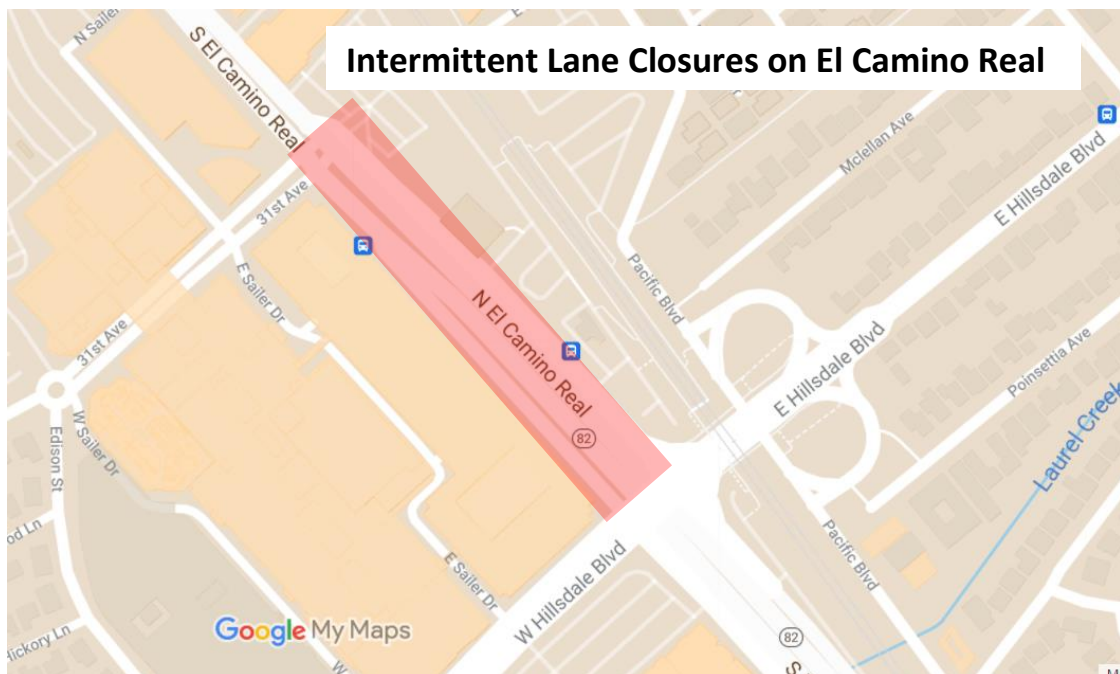

Dear Caltrain Neighbor,

As San Mateo's 25th Avenue Grade Separation Project progresses toward its goals to improve safety, and reduce traffic congestion and train horn noise, there will be traffic pattern changes due to construction we wish to make you aware of:

### **EL CAMINO REAL LANE CLOSURES (between Hillsdale Boulevard and 31st Avenue)**

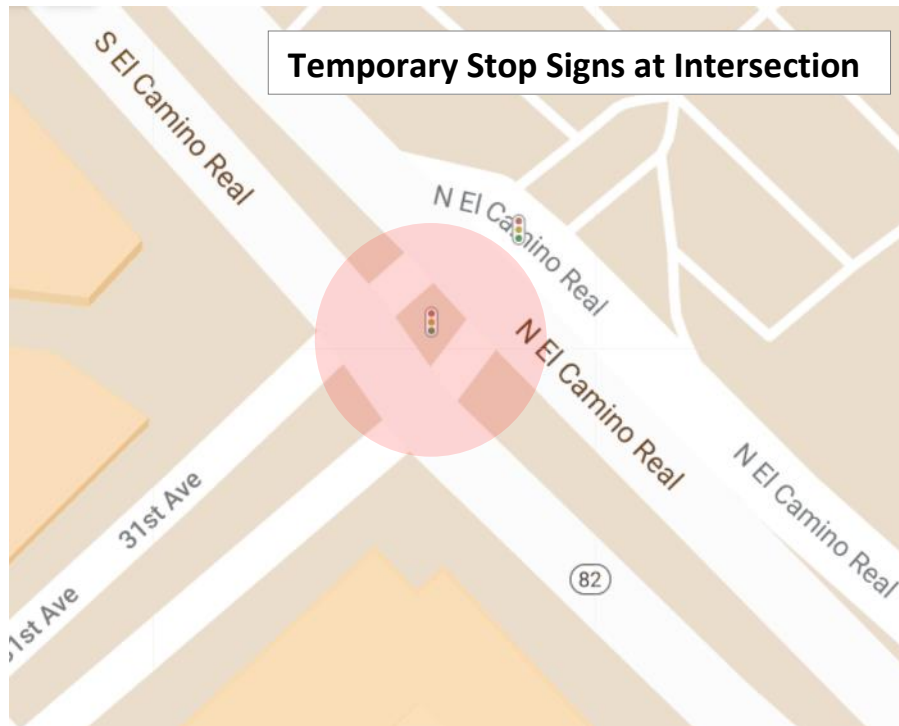

At night on June 1 to June 11, from 9:00 p.m. to 5:00 a.m., there will be intermittent lane closures on El Camino Real between Hillsdale Boulevard and 31st Avenue. Bi-directional traffic will be allowed, with flaggers and signage. Crews will trench across the road to install a traffic signal conduit. Please note:

- The eastern sidewalk at 31st Avenue is currently closed to pedestrians; and during one or more nights the western sidewalk at 31st Avenue may be impacted at which time flaggers will assist any pedestrians through the intersection.
- If vehicles cannot turn onto El Camino Real due to a temporary lane closure, detours and signage will be available.

## TEMPORARY STOP SIGN AT EL CAMINO REAL AND 31ST AVENUE

Starting on June 13 at 9:00 p.m. until June 14 at 3:00 p.m., there will be stop signs at the intersection of El Camino Real and 31st Avenue while crews work on the traffic signal power.

Please note unintended schedule changes do occur, and we thank you in advance for your patience. These activities will bring the project one step closer to creating the long-awaited east-west connections for pedestrians, cyclists, and vehicles in San Mateo.

### How to Stay Informed

Caltrain offers a weekly notice for those interested in the latest construction activities. To sign-up for the weekly construction notice or for more information visit [www.caltrain.com/25thgs](http://www.caltrain.com/25thgs). For questions about the project, please call the Caltrain Customer Service at 800.660.4287 or email [SMGradeSep@caltrain.com](mailto:SMGradeSep@caltrain.com).

### About the 25th Avenue Grade Separation Project

Caltrain, in cooperation with the City of San Mateo, is improving safety, traffic flow, and reducing train horn noise in the City. The project will separate the railroad tracks from the road at E. 25th Avenue, create two new east-west connections at 28th and 31st Avenues, and build a new Hillsdale Station with updated amenities to better serve the community.
