

## 25th Avenue Grade Separation Project UPCOMING EL CAMINO REAL LANE CLOSURES

Dear Caltrain Neighbor,

As San Mateo's 25th Avenue Grade Separation Project progresses toward its goals to improve safety, and reduce traffic congestion and train horn noise, there will be traffic pattern changes due to construction we wish to make you aware of:

### **EL CAMINO REAL LANE CLOSURES (at 31st Avenue)**

On July 19 through July 23, 2021, from 9:00 a.m. to 3:00 p.m., there will be intermittent lane closures on El Camino Real at 31st Avenue. The lane closures will be both northbound and southbound. During the closures, traffic flow in both directions will be maintained at all times. There will be cones, signs, arrow boards, and other traffic control devices installed to help safely navigate around the closures.

Please note unintended schedule changes do occur, and we thank you in advance for your patience. These activities will help bring the project one-step closer to creating the long-awaited east-west connections for pedestrians, cyclists, and vehicles in San Mateo.

### **How to Stay Informed**

Caltrain offers a weekly notice for those interested in the latest construction activities. To sign-up for the weekly construction notice or for more information visit [www.caltrain.com/25thgs](http://www.caltrain.com/25thgs). ### **About the 25th Avenue Grade Separation Project**

Caltrain, in cooperation with the City of San Mateo, is improving safety, traffic flow, and reducing train horn noise in the City. The project will separate the railroad tracks from the road at E. 25th Avenue, create two new east-west connections at 28th and 31st Avenues, and build a new Hillsdale Station with updated amenities to better serve the community.
