

## **Caltrain Hillsdale Pedestrian Bridge Closure & Temporary Hillsdale Blvd. Nighttime Lane Closures**

Dear Caltrain Neighbor,

As San Mateo's 25th Avenue Grade Separation Project progresses towards its goals to improve safety, and reduce traffic congestion and train horn noise, there will be some upcoming impacts as Caltrain works to strengthen the Hillsdale train bridge with a steel girder and prepare for the new track alignment. Thank you for your patience while the following occurs:

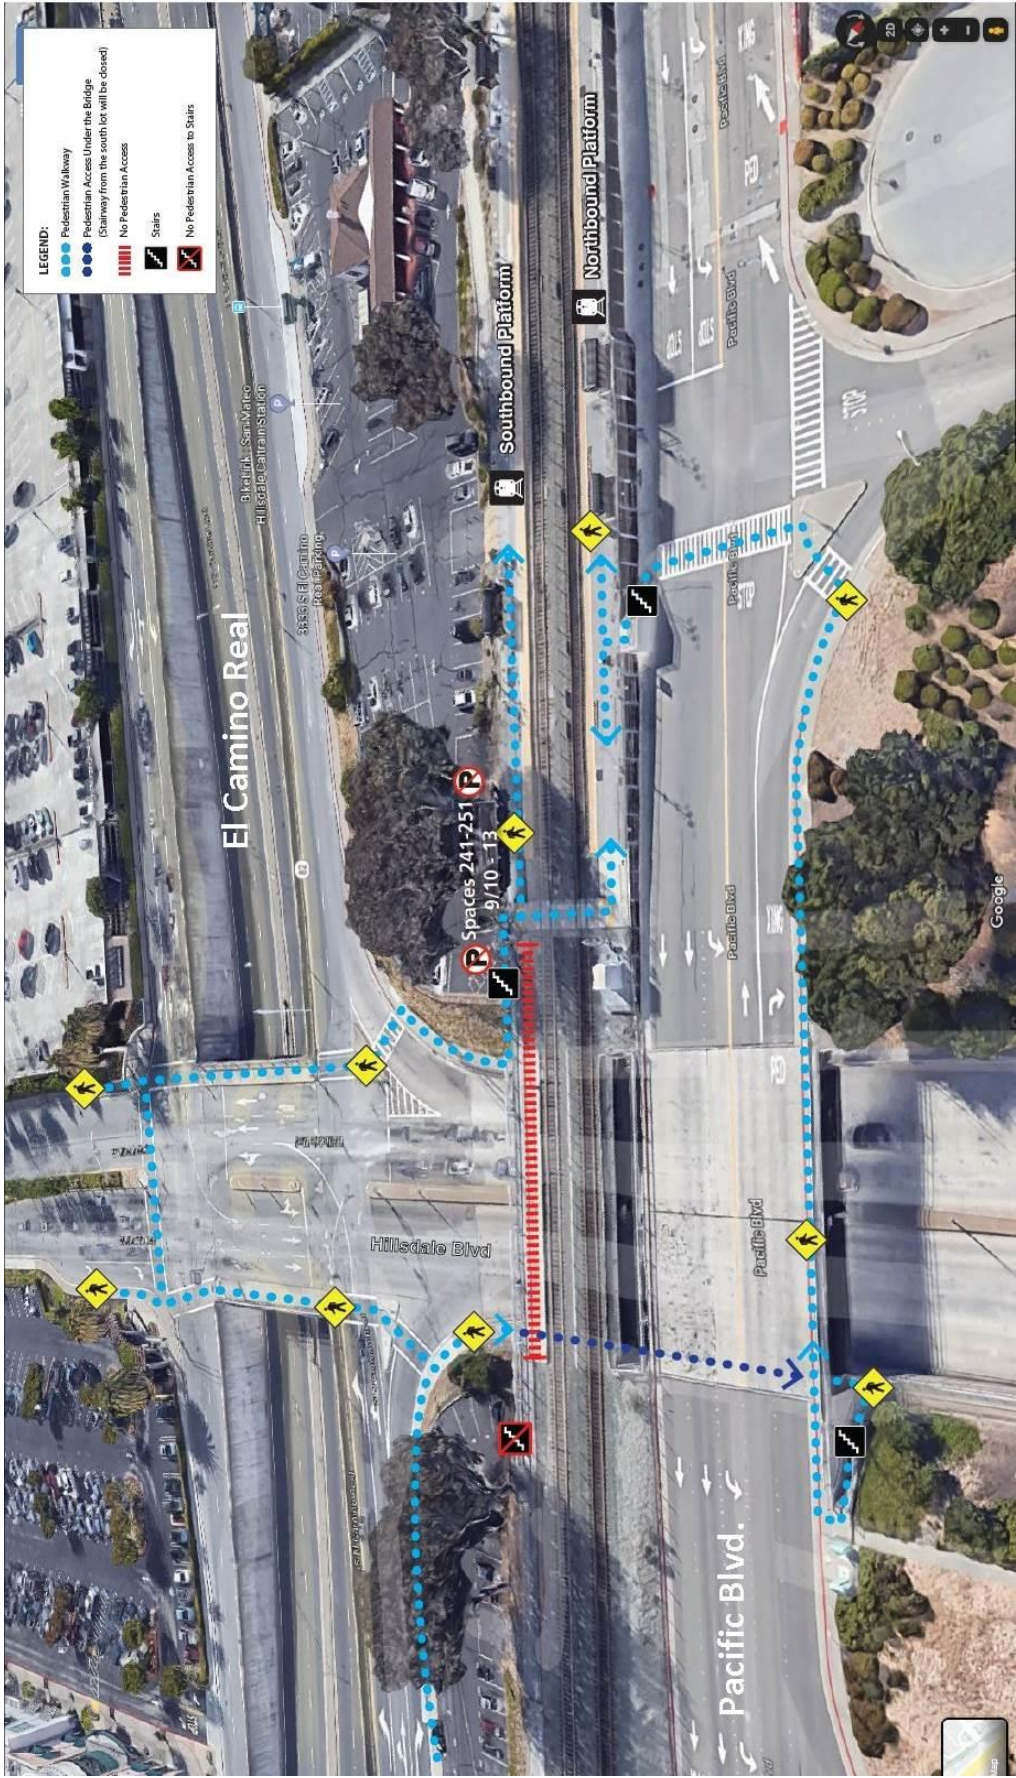

- Starting as early as Wednesday, March 25, 2020, the Caltrain Hillsdale pedestrian bridge located to the west of the tracks will be closed. Pedestrians who typically use the Caltrain pedestrian bridge/walkway to cross Hillsdale Boulevard are encouraged to allow extra time for their arrival at Hillsdale Station. Please see map (on back) for an alternative pedestrian route during this temporary closure.
- Starting as early as March 30, 2020, there will be weeknight work for approximately 1-2 weeks on the Hillsdale train bridge from 8:00 p.m. to 7:00 a.m. During this time, Hillsdale Boulevard lanes will be intermittently closed, with bi-directional traffic flow at times and detours.

### **How to Stay Informed**

Caltrain offers a weekly notice for those interested in the latest construction activities. To sign-up for the weekly construction notice or for more information visit [www.caltrain.com/25thgs](http://www.caltrain.com/25thgs). For questions about the project, please call the Caltrain Customer Service at 800.660.4287 or email [SMGradeSep@caltrain.com](mailto:SMGradeSep@caltrain.com).

### **About the 25<sup>th</sup> Avenue Grade Separation Project**

Caltrain, in cooperation with the City of San Mateo, is improving safety, traffic flow, and reducing train horn noise in the City. The project will separate the railroad tracks from the road at E. 25<sup>th</sup> Avenue, create two new east-west connections at 28th and 31st Avenues, and build a new Hillsdale Station with updated amenities to better serve the community.
