

Temporary Hillsdale Station Closure Starts May 16, 2020

Dear Caltrain Neighbor,

The Caltrain Hillsdale Station will temporarily close starting May 16, 2020, for up to six months as part of the San Mateo 25th Avenue Grade Separation Project, a safety improvement project. When the closure is complete, Hillsdale will have a new station with updated amenities, such as additional shelters, new landscaping, and a center-boarding platform for riders to easily access both north and southbound trains. In addition, a new east-west connection at 28th Avenue in San Mateo will be built.

During the temporary station closure, Caltrain will continue overall passenger service. Trains that currently serve Hillsdale Station will be reallocated to Belmont Station. Please note information is subject to change based on COVID-19 service changes and funding.

Construction Information

Construction times are typically 8:00 a.m. to 6:00 p.m. with some nights and weekend work. This necessary stage of the project will involve transitioning the tracks from ground-level to elevated; creating an east-west connection for pedestrians, cyclists, and vehicles at 28th Avenue; and building the new Hillsdale Station which will be located between 28th and 31st Avenues. Please note that the construction schedule is subject to change based on COVID-19. Thank you for your patience during construction, as the City and Caltrain work on this vital safety improvement project that will provide lasting, long-term benefits for generations to come.

For More Station Closure Information

Monday-Friday 7:00 a.m. to 7:00 p.m.

Weekends & Holidays 8:00 a.m. to 5:00 p.m.

About the 25th Avenue Grade Separation Project

Caltrain, in cooperation with the City of San Mateo, is improving safety, traffic flow, and reducing train horn noise in the City. The project will separate the railroad tracks from the road at E. 25th Avenue, create two new east-west connections at 28th and 31st Avenues, and build a new Hillsdale Station to better serve the community. For more project information visit www.caltrain.com/25thGS.
