

New Hillsdale Station to Open April 26, 2020

Dear Neighbor,

We're pleased to announce the new Hillsdale Station will open for passenger service on April 26, 2021. The new station is located 1,000 feet north of the original station between 28th and 31st Avenues, and serves as a major access point and connection to a variety of neighborhoods, world-class businesses, local restaurants, the San Mateo Event Center, and redesigned Hillsdale Mall.

Riders will no longer have to wait at a crossing gate to move between platforms as the new station features a center platform, as well as enhanced amenities such as additional shelters and bicycle eLockers. The new train schedule with service to Hillsdale Station will go into effect on April 26. Please note that while 25th and 31st Avenues are under construction, station access is at 28th Avenue and the pedestrian underpass.

Thank you for your patience while this major milestone was completed for the 25th Avenue Grade Separation Project which will have lasting benefits for generations to come.

About the 25th Avenue Grade Separation Project

Caltrain, in cooperation with the City of San Mateo, is improving safety, traffic flow, and reducing train horn noise in the City. The project will separate the railroad tracks from the road at E. 25th Avenue, create two new east-west connections at 28th and 31st Avenues, and build a new Hillsdale Station to better serve the community. For more project information visit www.caltrain.com/25thGS.
