

25th Avenue Grade Separation Project Leslie Street: Lane Closure & Parking Restriction for Paving

Dear Caltrain Neighbor,

As San Mateo's 25th Avenue Grade Separation Project progresses toward its goals to improve safety, and reduce traffic congestion and train horn noise, there will be a temporary impact with the paving of Leslie Street (near CA-92).

The paving will occur on Saturday, June 13, 2020, from 7:30 a.m. to 1:00 p.m. The southbound lane of Leslie Street will remain open to through traffic. When the paving is complete, Leslie Street will return to the existing condition with one through lane and temporary parking restrictions. Please note unintended schedule changes do occur, and we thank you in advance for your patience.

How to Stay Informed

Caltrain offers a weekly notice for those interested in the latest construction activities. To sign up for the weekly construction notice or for more information visit www.caltrain.com/25thgs. For questions about the project, please call the Caltrain Customer Service at 800.660.4287 or email SMGradeSep@caltrain.com.

About the 25th Avenue Grade Separation Project

Caltrain, in cooperation with the City of San Mateo, is improving safety, traffic flow, and reducing train horn noise in the City. The project will separate the railroad tracks from the road at E. 25th Avenue, create two new east-west connections at 28th and 31st Avenues, and build a new Hillsdale Station with updated amenities to better serve the community.
