

## 25th Avenue Grade Separation Project Notification

### Lane Closure on E. 25th Avenue

Dear Caltrain Neighbor,

Thank you for your patience as work on the 25th Avenue Grade Separation Project continues. Starting October 9, 2018, the eastbound center lane on E. 25th Avenue will be closed during construction hours as crews continue to work on the bents (structural support) for the bridge. Work hours will be from 7:00 a.m. to 5:00 p.m. through late November.

Caltrain will establish signs for pedestrians and motorists to help with traffic flow. **All businesses along E. 25th Avenue will remain open during construction.**

Caltrain, in cooperation with the City of San Mateo, is raising the tracks and slightly lowering the road (grade separating) at E. 25th Avenue in San Mateo. This will improve safety for both motorists and pedestrians, and will reduce local traffic congestion and horn noise in San Mateo. In addition, the project will provide an opportunity to complete east-west street connections at 28th and 31st Avenues. As part of the project improvements, Caltrain will build a new elevated Hillsdale Station located at E. 28th Avenue. The new station will offer updated amenities and will allow for better safety and reduced traffic.

Caltrain offers a weekly notice for those interested in the latest construction activities. For more information on the project, and to sign-up for the weekly construction notice, please visit [www.caltrain.com/25thGS](http://www.caltrain.com/25thGS). For questions about the project, please call the Caltrain Construction Hotline at 650.508.7726 or email [SMGradeSep@caltrain.com](mailto:SMGradeSep@caltrain.com).
