

FRONT DOOR ACCESS IMPACT TO RESIDENCE & SIDEWALK CLOSURE

Dear Caltrain Neighbor,

As San Mateo's 25th Avenue Grade Separation Project progresses toward its goals to improve safety, and reduce traffic congestion and train horn noise, there is an upcoming construction impact we wish to make you aware of:

Sidewalk Closure & Front Access to Residence Impact

Phase I: Franklin Parkway to Lopez Drive

- Impact: Sidewalk closed, no front door access, no daytime street parking. Access will remain through Mena Drive.
- Dates: Starting Jan. 18, 2021 for approximately 1.5 months

Phase II: Lopez Drive to Pacific Boulevard

- Sidewalk closed, no front door access, no daytime street parking. Private driveway access remains.
- Dates: Will occur after Phase I, approximately March 2021 for 1.5 months.

Work hours will be from 7 a.m. to 5 p.m., Monday through Saturday. Construction activities include removing the sidewalk (includes saw cutting); excavating; installing the storm drain pipe and drainage inlets; making connections to the existing manholes located on S. Delaware; and restoring the road and walkway. There will also be street parking restrictions and one-lane traffic closures on S. Delaware. Two neighborhood meetings (June 2018, January 2019) were previously held regarding this work and more project information can be found at www.caltrain.com/25thGS.

Please note unintended schedule changes do occur, and we thank you in advance for your patience. These activities will bring the project one step closer to creating the long-awaited east-west connections for pedestrians, cyclists, and vehicles in San Mateo.

How to Stay Informed

Caltrain offers a weekly notice for those interested in the latest construction activities. To sign-up for the weekly construction notice or for more information visit www.caltrain.com/25thgs. For questions about the project, please call the Caltrain Customer Service at 800.660.4287 or email SMGradeSep@caltrain.com.

About the 25th Avenue Grade Separation Project

Caltrain, in cooperation with the City of San Mateo, is improving safety, traffic flow, and reducing train horn noise in the City. The project will separate the railroad tracks from the road at E. 25th Avenue, create two new east-west connections at 28th and 31st Avenues, and build a new Hillside Station with updated amenities to better serve the community.
