

## STORM DRAIN INSTALLATION SIDEWALK CLOSURE & FRONT ACCESS TO RESIDENCE IMPACT (Between 31st Avenue & Pacific Boulevard)

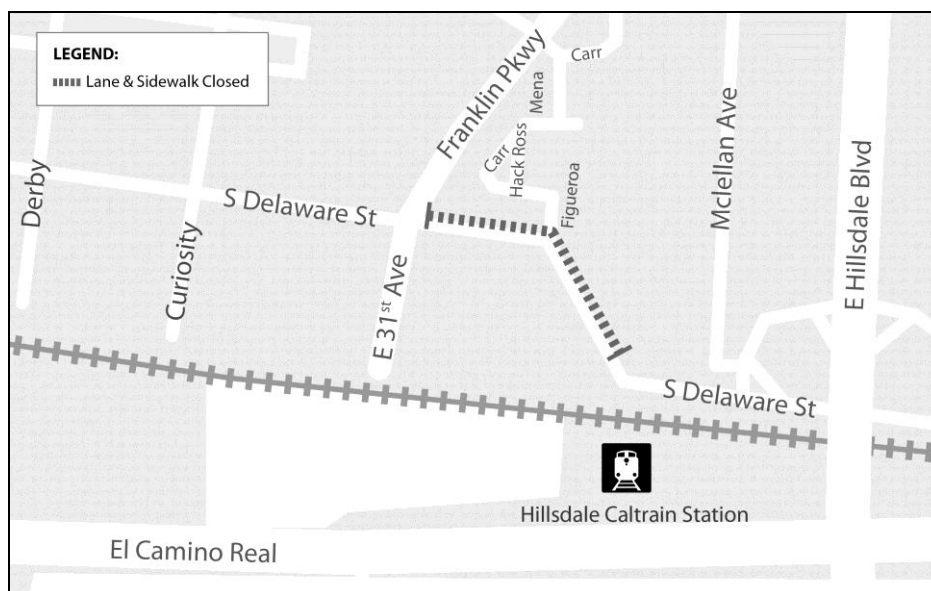

Dear Caltrain Neighbor,

As San Mateo's 25th Avenue Grade Separation Project progresses toward its goals to improve safety, and reduce traffic congestion and train horn noise, there is an upcoming construction impact we wish to make you aware of:

### **Sidewalk Closure & Front Access to Residence Impact: Beginning January 17, 2020**

Starting as early as January 17, 2020, a storm drain will be installed under the eastern sidewalk of S. Delaware Street, between 31st Avenue and Pacific Boulevard (see map). There will be sidewalk closures limiting residents' front-door access. These will be phased to reduce the impact on residents as much as possible. The work is anticipated to start closest to 31st Avenue and last approximately a month before moving to the southern half of the segment for another month. Residents will receive 72 hours advance notice, and access from Mena Drive will remain.

Work hours will be from 7:00 a.m. to 5:00 p.m., Monday through Saturday. Construction activities include removing the sidewalk; excavating; installing the storm drain pipe and drainage inlets; making connections to the existing manholes located on S. Delaware; and restoring the road and walkway. There will also be street parking restrictions and one-lane traffic closures on S. Delaware. Two neighborhood meetings (June 2018, January 2019) were previously held regarding this work and more project information can be found at [www.caltrain.com/25thGS](http://www.caltrain.com/25thGS).

Please note unintended schedule changes do occur, and we thank you in advance for your patience. These activities will bring the project one step closer to creating the long-awaited east-west connections for pedestrians, cyclists, and vehicles in San Mateo.

### **How to Stay Informed**

Caltrain offers a weekly notice for those interested in the latest construction activities. To sign-up for the weekly construction notice or for more information visit [www.caltrain.com/25thgs](http://www.caltrain.com/25thgs). For questions about the project, please call the Caltrain Customer Service at 800.660.4287 or email [SMGradeSep@caltrain.com](mailto:SMGradeSep@caltrain.com).

### **About the 25th Avenue Grade Separation Project**

Caltrain, in cooperation with the City of San Mateo, is improving safety, traffic flow, and reducing train horn noise in the City. The project will separate the railroad tracks from the road at E. 25<sup>th</sup> Avenue, create two new east-west connections at 28th and 31st Avenues, and build a new Hillsdale Station with updated amenities to better serve the community.
