

## **25th Avenue Grade Separation Project Hillsdale Boulevard Lane Closures**

Dear Caltrain Neighbor,

As San Mateo's 25th Avenue Grade Separation Project progresses towards its goals to improve safety, and reduce traffic congestion and train horn noise, there will be an upcoming impact as Caltrain finishes work to strengthen the Hillsdale train bridge. Starting as early as May 14, both inside lanes (east and westbound) of Hillsdale Blvd. will be closed while crews work to further bolt the bridge's new steel girder.

Crews will work from 9:00 a.m. to 3:00 p.m. Bi-directional traffic will continue using the outside east and westbound lanes on Hillsdale Boulevard. This work is anticipated to take approximately two days.

### **How to Stay Informed**

Caltrain offers a weekly notice for those interested in the latest construction activities. To sign-up for the weekly construction notice or for more information visit [www.caltrain.com/25thgs](http://www.caltrain.com/25thgs). For questions about the project, please call the Caltrain Customer Service at 800.660.4287 or email [SMGradeSep@caltrain.com](mailto:SMGradeSep@caltrain.com).

### **About the 25<sup>th</sup> Avenue Grade Separation Project**

Caltrain, in cooperation with the City of San Mateo, is improving safety, traffic flow, and reducing train horn noise in the City. The project will separate the railroad tracks from the road at E. 25<sup>th</sup> Avenue, create two new east-west connections at 28th and 31st Avenues, and build a new Hillsdale Station with updated amenities to better serve the community.
