

25th Avenue Grade Separation Project Removal of Temporary Shoring at E. 28th and E. 31st Avenues

Dear Caltrain Neighbor,

As San Mateo's 25th Avenue Grade Separation Project progresses towards its goals to improve safety, and reduce traffic congestion and train horn noise, there will be an upcoming construction impact. Starting on Wednesday, June 3, 2020, crews will begin removing the temporary support structures (shoring) that were built for construction at E. 28th and E. 31st Avenues near the railroad tracks.

The construction hours will be 8:00 a.m. to 6:00 p.m., and activities will begin with crews removing track, ties, and then shoring. This work is anticipated to take approximately two to three weeks. Noise levels will vary during construction hours. Please note unintended schedule changes do occur, and we thank you in advance for your patience.

How to Stay Informed

Caltrain offers a weekly notice for those interested in the latest construction activities. To sign-up for the weekly construction notice or for more information visit www.caltrain.com/25thgs. For questions about the project, please call the Caltrain Customer Service at 800.660.4287 or email SMGradeSep@caltrain.com.

About the 25th Avenue Grade Separation Project

Caltrain, in cooperation with the City of San Mateo, is improving safety, traffic flow, and reducing train horn noise in the City. The project will separate the railroad tracks from the road at E. 25th Avenue, create two new east-west connections at 28th and 31st Avenues, and build a new Hillsdale Station with updated amenities to better serve the community.
