Peninsula Corridor Joint Powers Board
1250 San Carlos Avenue
San Carlos, California 94070-1306

Dear ~~Chairman~~ ^{Steve} Heminger,

I'm proud to inform you that my request for \$800,000 for the Caltrain Safety Fencing project has been approved by the House Appropriations Committee, and I expect the full House will pass it in the coming weeks. The bill will also need to pass the Senate and be signed into law before funding for this project can be made available. There is no action needed from you at this time, but know that I'm doing everything I can to see that this bill becomes law so that critical needs in our Congressional District and the Bay Area are addressed.

Should you have any questions, you can contact Eric Henshall in my Washington, D.C. office at (202) 225-8104.

All my best,

Anna G. Eshoo
Member of Congress
