

Bicycle Access & Parking Plan Implementation Strategy

Bicycle Advisory Committee
July 18, 2013

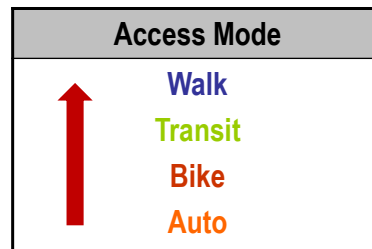

Context

Bicycle Access & Parking Plan

Adopted by JPB in 2008

Comprehensive Access Policy

Adopted by JPB in 2010

Context

2008 Plan Recommendations

- Cover multiple improvement areas
- Multiple scales and types of recommendations
- Generally not presented as implementation-ready “projects”

| Recommendation Type | Improvement Area | | | |
|--|------------------|--------|-------------|--------|
| | Parking | Access | Information | Safety |
| Station specific recommendations | | | | |
| System wide design guidelines | | | | |
| Innovative ideas for further consideration | | | | |
| | | | | |

3

Goal

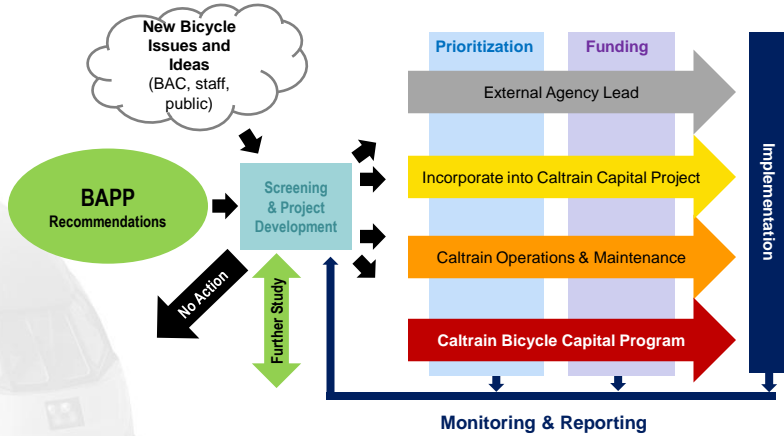

Define and execute an implementation strategy for 2008 Bicycle Access & Parking Plan

Strategy should:

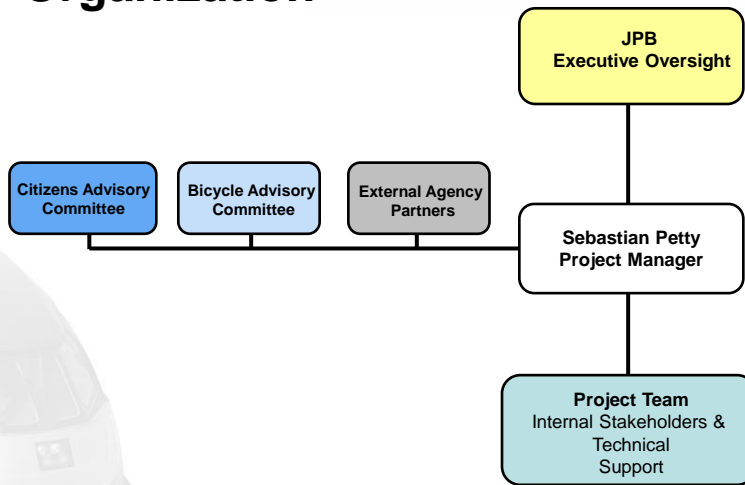

- Be transparent and responsive to the cycling community and public
- Be accommodating of multiple project scales and implementation timeframes
- Be sensitive to agency resource constraints and assist in leveraging external funding
- Define an ongoing process for proposing, screening and implementing wayside bicycle improvements beyond the recommendations included in the 2008 Bicycle Access & Parking Plan

Implementation Strategy Overview

Organization

Project Screening & Capital Program Timeline

Example Funding Sources

| Federal | State | Regional | County |
|---|---|--|--|
| <ul style="list-style-type: none"> Transportation Alternatives Program | <ul style="list-style-type: none"> Bicycle Transportation Account Caltrans Planning Grants Office of Traffic Safety Safe Routes to School Transportation Development Act | <ul style="list-style-type: none"> Regional TFCA Safe Routes to Transit One Bay Area Grants | <ul style="list-style-type: none"> County TFCA Prop K (San Francisco) Measure A Bike & Pedestrian Program (San Mateo) VTA Bicycle Expenditure Plan |

Next Steps

- Incorporate BAC feedback on implementation strategy (July)
- Present project list and assignments to BAC (September)
- Present prioritization criteria for Bicycle Capital Improvement Project to BAC (November)
- Present draft Bicycle CIP and project funding plans to BAC (January)
