The **12/18/24 PENINSULA CORRIDOR JOINT POWERS BOARD (JPB) CITIZENS ADVISORY COMMITTEE (CAC) STAFF REPORT** listed something about the San Mateo Replacement Parking Track: *The project involves the preparation of an amendment to the previously obtained environmental clearance report and final design of a "set out track" to replace the one that was removed in the Bay Meadows area to facilitate the construction of the 25th Ave. Grade Separation Project.*

Can you please tell me exactly what the amendment is and how to obtain information about it?
