# January Service Change (1/27/25)

- **Minor schedule change weekdays and weekends**
  - Most trains adjusted 1-2 mins to improve On Time Performance (OTP)
  - Trains 113 & 141 depart Tamien & San Jose Diridon stations 4 mins earlier
  - Train 104 departs nearly 30 mins earlier. Will address feedback from Stanford hospital and improve OTP
  - Maintains current connections to BART at Millbrae
- **More detailed info to be posted on the website**
- **January schedule change aligns with Bay Area transit agencies**
  - Recommendation from the Blue Ribbon Task Force on Transit Recovery
