

***Authorize Executive Director to Execute a Primary Grant Agreement with the San Mateo County Transportation Authority (SMCTA) for Future Measures A and W Funding***

**JPB Finance Committee  
February 24, 2025**

# Background

- San Mateo County Transportation Authority has developed a new primary grant agreement;
- Streamlines and expedites future contract processes.
- Individual project supplements will detail project-specific requirements.
- New primary agreement is required in order to be eligible for TA Measures A and W funding.

# Staff Recommendation

- Execute a primary grant agreement with the SMCTA to be eligible to receive Measures A and W grants over the next 10 years.
- Certify that any funds awarded by the SMCTA will be used to supplement existing funds for project/program activities.
